## List

A list of unordered or ordered text items.

The image is a screenshot of the Bootstrap 5 documentation website. On the left, a dark sidebar contains a list of navigation items: 'Content', 'Accordion', 'Avatar', 'Card', 'Compact Card', 'Divider', 'Image', 'List', 'Documentation', 'Unordered (ul)' (highlighted in blue), 'Ordered (ol)', 'Unordered nested', 'Ordered nested (with hyperlink)', 'Member Card', 'Rating', 'Shoppable Image', 'Simple Video', 'Table', and 'Tabs'. The main content area has a dark background and features a heading 'Unordered (ul)' with a dropdown arrow. Below this is a sub-heading 'Cras bibendum'. The text 'Donec a faucibus est. Nunc ac justo facilisis, accumsan lacus non, porttitor elit. Phasellus vulputate pretium mi, nec varius arcu vehicula et. Suspendisse sagittis justo nec consequat malesuada.' is displayed. A bulleted list follows: 'Non dolore magna nisi est reprehenderit', 'Occaecat culpa ex qui fugiat ea cillum ipsum sint', 'Fugiat enim fugiat velit commodo velit velit veniam id', 'Duis adipiscing nisi pariaturn sint dolor', 'Reprehenderit deserunt labore eiusmod velit laborum nisi', and 'Ut duis culpa est adipiscing'. On the right, a 'Controls' panel is visible, showing a 'size' dropdown menu currently set to 'medium'.

**Unordered or ordered**

Unordered list to group related items or ordered list to group items in a pre-determined order.

## Spacing Conventions

Space between the bullet and the list items' text will differ depending of which browser and/or which operating system you are viewing it in. This is due to operating systems and browsers using different spacing conventions and font as default.
